UNA CULTURA**

ACADEMIC PROGRAMME

Students attend our partner school from Monday to Friday and **study alongside their Spanish peers** gaining real-world exposure to the language in an authentic context. In addition, they receive **8 hours of Spanish** (as a foreign language) classes per week, on site and incorporated into the normal school time table.

The seamless blend between high school immersion and structured tuition in Spanish, supports and **enhances overall language acquisition.**

On completion of the programme, each student is awarded a **Spanish as a foreign language Certificate** indicating the CEFR (Common European Framework) level of the course, the number of hours completed and their overall result.

ACTIVITY PROGRAMME

A carefully designed activity programme gives students the opportunity to put their **Spanish into practise** through a variety of cultural and leisure activities.

The activity programme includes **one organised group activity** per week and an **excursion** at the weekend.

An integral part of our *High School & Activity programme* is to become **members of a sports club**. Joining the local sports club, really helps students to integrate and **get to know Spanish teenagers** while also keeping them healthy, fit and active.

We have partnerships with many sports clubs: hockey, rugby, soccer, basketball, volleyball, dance, athletics etc.
