# ACTIVITY PROGRAMME

Every afternoon, students take part in our **action packed, fun and diverse activity programme** providing them with the chance to apply their Spanish skills in a real-world setting. We organise an **excursion** every weekend and our extensive array of social, cultural and sporting activities ensures that students are active, happy and learning throughout their stay.

A key component of the activity programme involves students **joining a club**, fostering connections and integration with Spanish teenagers through sport. We have partnerships with a range of local clubs including basketball, rugby, soccer, hockey, dance, athletics and more.
